

International Symposium on 'Loess Deposits as Archives of Environmental Change in the Past'

NATIONAL ACADEMY OF SCIENCES OF THE REPUBLIC OF ARMENIA

YEREVAN, ARMENIA | SEPTEMBER 15 - 22, 2019

Save the Date!

CONFERENCE (2 DAYS) and EXCURSIONS (2+3 DAYS)

We aim to bring together scientists as well as young researchers from different fields of loess research to present and discuss latest findings, recent innovations, and further challenges.

The conference will also include an excursion in Armenia and Artsakh (Karabakh) with focus on loess-palaeosoil sequences in the foothills of the Lesser Caucasus.

Further details for the symposium, including local arrangements, abstract submission and registration details will be provided in the Second circular towards summer 2018.
